Established in 1986, Tubemakers began operating with a specialised suite of products that catered to the harsh demands of the domestic plumbing market. Over time, we have grown to become the South Pacific’s most trusted manufacturer and supplier of high-quality uPVC, mPVC and Polyethylene pipes and fittings.

Our products are successfully used in a diverse range of applications on subdivision, commercial, industrial and infrastructure projects. We recognise the design and installation benefits from the integration of quality componentry to provide innovative, versatile and cost effective solutions.

FIJIAN OWNED & OPERATED

Our products are successfully used in a diverse range of applications on subdivision, commercial, industrial and infrastructure projects. We recognise the design and installation benefits from the integration of quality componentry to provide innovative, versatile and cost effective solutions.

INTERNATIONAL
Tubemakers has numerous years of experience in exporting to South Pacific region including New Zealand and has a substantial customer base. Our dispatch team are well trained and ensure that consignments are packed according to the customers’ standards.

ENVIRONMENTALLY FRIENDLY
Fiji is renowned as one of the world’s most naturally beautiful countries and we are committed to environmentally friendly manufacturing processes. We do not use heavy metals or chemicals that are harmful to the environment.

QUALITY & INNOVATION
Our products are manufactured to AS/NZ standards and have internationally recognised WATERMARK certification.

Our manufacturing processes and management systems are certified to ISO9001.

The South Pacific’s most trusted manufacturer and supplier of high-quality pipes and fittings.
### uPVC PIPES

**PRESSURE PIPES**

For Use In Potable, Non-Potable Water & Pressurised Sewerage Systems

<table>
<thead>
<tr>
<th>Size Range</th>
<th>DN15-DN375</th>
</tr>
</thead>
<tbody>
<tr>
<td>Pressure Range</td>
<td>PN6, PN9, PN12, PN15, PN18</td>
</tr>

uPVC PIPES

**Size Range:** DN50 & DN100  
**Colours:** Green  
**Joint Options:** SCJ & RRJ

---

**TELECOM DUCTS**

*For Use In Telecommunications Applications*

**Size Range:** 80mm  
**Colours:** White  
**Joint Options:** Fittings

---

**mPVC PRESSURE PIPES**

*Series I & II*

*For Use In Potable, Non-Potable Water & Pressurised Sewerage Systems*

**Size Range:**  
Series I : DN100-DN375  
Series II : DN100-DN300  
**Pressure Range:**  
S1 – PN9, PN12 & PN15  
S2 - PN12 & PN16  
**Colours:**  
Series I : White  
Series II : Blue  
**Joint Options:** RRJ  
**Standard:** AS/NZS 4765

---

**mPVC PRESSURE PIPES**

*Series I & II*

**POLYETHYLENE PIPES**

*For Use In General Pressure and Gas Applications*

**Size Range:**  
Rural PE Pipes - 15mm-50mm (Thin/Thick)  
Metric PE Pipes - DN16-DN110  
**Pressure Range:**  
PN6.3, PN10, PN12.5, PN16  
**Colours:** Black with stripes  
**Joint Options:** Compression & Electrofusion fittings  
**Standard:** AS/NZS 4130

---

**Lic No. : WMKA 21668**

---

**Lic No. : WMKA 21543**
Fittings

PVC FITTINGS

PVC Fittings Compatible With Pipes Manufactured To AS/NZ Standards

POLYPROPYLENE COMPRESSION FITTINGS

Polypropylene Fittings Compatible For Use With Metric Polyethylene Pipes Manufactured To AS/NZS 4130
